### A Way Of Being

A Way of Being, more personal and philosophical than his earlier writings, was written in the early 1980s, near the end of his distinguished career. This unique collection traces his professional and personal development from the sixties to the eighties and ends with a person-centered prophecy in which Rogers calls for a more humane future.

II. Learning as a way of being vs. means of doing All experience is learning; it is a posture toward experience, a philosophy at the personal level. For example, good management depends as much on good character as good behavioral skills, so there's a spiritual element to it. This kind of learning is personal/present/continual
