If Alfred Schnittke is a "poster child" of musical postmodernism, his Concerto Grosso No. 1 (1977) is his poster work. One of the few orchestral works written after 1945 to enter the repertoire of ensembles worldwide, its uneasy fusion of old and new, high and low, and grave and comical captures what is most Schnittkean about Schnittke.

Concerto Grosso no. 1 is one of Alfred Schnittke's best-known and most compelling works, sounding the surface of late Soviet life while resonating with contemporary compositional currents around the world such as postmodernism. It marked a decisive point in Schnittke's development of the approach he called polystylism, which aimed to contain in a single composition the wide range of ...

Alfred Schnittke's Concerto Grosso no. 1

The late Alfred Schnittke has, after his death, been accused of writing too much music of variable quality. This debate is still raging although suffice to say that the Eighth Symphony truly is one of his greatest works and indeed, one of the great symphonic works of the latter twentieth century.
