Cats, Dogs and Thunder - The Other End of the Leash

Regarding the stereotypical personalities of a “dog-person” or a “cat-person,” I certainly align with the extroverted, energized caricature of a “dog-person.” And I adore our K-9 companions. But I am not special in that regard; most people love dogs. Cats, however, deserve to be held in a higher regard by society. This isn’t simply...

Opinion | Cats remain vastly underappreciated | The Daily ...

Cats are domesticated, but they are not social like dogs and wolves. Pigs, however, are social. “When pigs live in the wild—or even wild boars—these animals live in groups.
