Children Of The Mind

Children of the Mind, fourth in the Ender series, is the conclusion of the story begun in the third book, Xenocide. The author unravels Ender's life and reweaves the threads into unexpected new patterns, including an apparent reincarnation of his threatening older brother, Peter, not to mention another "sister" Valentine.

Children of the Mind is the final instalment of the original Ender's Game series. This fourth book chronicles the fate of the Lusitania colony as they make their final stand against the Starfleet Congress as well as the fate of those who play an integral part of the rebellion - Jane, Miro, Ender and his family and a new host of characters.

Children of the Mind - Walmart.com - Walmart.com

Children of the Mind is indeed a stunning and well-written conclusion to the best science-fiction series of all time. It is the second-best book that I have ever had the privilege to read, next to Ender's Game. The relationships are so well-developed that it makes one feel as if they themselves are in the characters' positions.

Children of the Mind book by Orson Scott Card

Children of the Mind is the fifth and final novel in the Ender Quintet, following Xenocide. It was written by Orson Scott Card. The planet Lusitania is home to three sentient species: the...

Children of the Mind is a constant flurry of philosophy, scientific extrapolation, arguments that shake your morality to its core, and perhaps most beautifully of all, a genius blend of our history as a people and a plausible sci-fi future.

Children of the Mind on Apple Books

About book Children Of The Mind (2002) I know several readers, myself included, who were blown away by Ender's Game by Orson Scott Card. They then found the sequel, Speaker for the Dead, to be equally as riveting and eagerly reached for Xenocide, book three in the series, with the highest of expectations--only to be slammed with disappointment.
