A site handover letter is one of the tools which clients, contractors and subcontractors use to shift the onus of the project and the site to another party, after their work is deemed complete. A site handover letter can simply serve as the confirmation of a site handover, or it can include more detail which helps the new site owner or operator understand what has been handed over, and what hasn't.

A construction project handover letter is identical in purpose to the project handover document sample, but it differs in its delivery. Unlike a project handover form, a letter is a simple letter format like the letter sample you see below. While a handover letter is a great compliment to a proper project handover document, it shouldn't serve as your main method of communicating a project handover. This is because it's too one dimensional.

Construction project handover document sample to use or copy
