periods in which they have worked.

Illustrations - Illustration History

After studying art history, examining the illustrated image was not a big leap, and my first writing about visual communication in the mid-1980s focused on illustration rather than design. The British illustrators I met at that time were well-read, highly educated, visually sensitive, historically aware individuals who were consciously ...

The Missing Critical History of Illustration

"The Civil War: A Visual History" edited by Jemima Dunne and Paula Regan. This breathtaking look at our first photographed war culls daguerreotypes, artifacts, sketches, timelines, maps and paintings from the Smithsonian Institution to create a feast for the eye.
