Mountain flying bible book. Read reviews from world's largest community for readers.

**Mountain flying bible by Sparky Imeson - Goodreads**  
Sparky Imeson's "Mountain Flying Bible" A Review by F. E. Potts Over the many years I have been flying in Alaska the unforgiving nature of the weather and terrain has impressed on me one very important lesson: that flying is a thinking man's (or woman's) game.

**Sparky Imeson's "Mountain Flying Bible" (A Review by F. E. ...**  
Mountain Flying Bible Revised. Mountain flying demands its own rules and an entirely different set of flying skills than flatland flying. The new Mountain Flying Bible Revised contains 100-percent new information. It is jam-packed with updated advice, lore, science, and wisdom.

**Mountain Flying Bible Revised Information**  
Sparky Imeson's "Mountain Flying Bible". A review, by F. E. Potts. Over the many years I have been flying in Alaska the unforgiving nature of the weather and terrain has impressed on me one very important lesson: that flying is a thinking man's (or woman's) game. Those who do not, or cannot, think, but instead rely only on the quick reflexes of youth or basic physical skills, have a tendency not to survive for long.

**Potts' Review - Mountain Flying Bible**  
Mountain Flying Bible Weddingby Herb Lingl. Gary "Padre" McDonald -- infamous mountain flyer and part-time outlaw Padre -- performed a wedding ceremony April 27, 2008, at San Francisco's Crissy Field, relying solely on Sparky Imeson's Mountain Flying Bible to guide him through the often rough terrain that can be matrimony, on a day that fortunately brought blue skies and no down-drafts.

**Mountain Flying Bible Wedding**  
Extensive experience in mountain flying, air ambulance, aerobatic, agricultural application, mosquito spraying, flight instruction, on-demand charter, and corporate professional pilot. Experienced flying different type aircraft throughout the United States, Canada, Alaska, Mexico, Guatemala, and South America.

**About Sparky Imeson - Mountain Flying**  
Mountain flying demands its own rules and an entirely different set of flying skills than flatland flying. The new Mountain Flying Bible Revised contains 100-percent new information. It is jam-packed with updated advice, lore, science, and wisdom.

**MOUNTAIN FLYING BIBLE - Calgary Pilot Supply Ltd**  
This is the 3rd edition of Sparky Imeson's Mountain Flying. It is not quite as comprehensive as the newer and larger Mountain Flying Bible, but for learning the techniques of mountain flying and operating from remote high altitude airstrips, it is in our opinion, the best value for the dollar of all of Sparky's books.

**Mountain Flying: Imeson, Sparky: 9780934754026: Amazon.com ...**  
Overview Stay out of Trouble - Learn the basic, intermediate and advanced techniques of mountain flying. The book is arranged in the sequence of an actual flight for ease of use in finding the information you want and need. It covers Preflight, Take off, En route, Arrival and Landing.

**MOUNTAIN FLYING BIBLE REVISED | Aircraft Spruce**  
Extensive book is a great resource for mountain flying technique and concerns. The author is often repetitive, particularly if you're reading the book from beginning to end, but this is useful if you're only reading particular sections. And what he repeats are principles that should become a part of your psyche as a mountain flying pilot.

**Amazon.com: Customer reviews: Mountain Flying Bible Revised**  
Mountain Flying Bible land upstream and takeoff downstream at backcountry strips to let the sloping terrain work with you. But, you must be mindful of the wind. When wind is created by solar effect, the air rises and begins moving upslope.

**CHAPTER 4 - TAKEOFFS**  
Mountain Flying . Flying over mountains can offer beautiful scenery and views you just can't get from the ground. Whether it's the Rockies, the Appalachians, or the Alps, mountain flying is often an unforgettable experience. However, keep in mind that mountain flying also involves more risks than flying over the flatlands. Mountain Weather

**Mountain Flying - Federal Aviation Administration**  
The foregoing is, primarily, taken from Sparky Imeson's "Mountain Flying Bible", and his "Ten Commandments", along with some of my own experience. Sparky lived, breathed and taught mountain flying for many years.
