Our Inner Ocean, December 16, 2016 · A Book Review. The most complete, well researched, superbly written compilation of bodywork & healing I have ever seen, LeCain Smith brings us this extensive description of healing modalities from around the world. His love of healing hands is obvious as he studies, examines and experiences some of the most obscure as well as likely known healing works from both civilized and primitive worlds.

As a retired sea captain, the author portrays "our inner ocean" as a place within all of us that is worth exploring. This is considered a place where we can release blockages, resolve obstructing issues, discover our true nature, and awaken the innate ability to actualize our fullest potential as humans. Three Excerpts from book:
