### 'Reinventing Bach' by Paul Elie casts a wide net: Review ...

But from this intense central point, Bach — or at least the sound waves representing him — seems to be filling up the universe. Three of his pieces are on Voyager's golden disc which is now approaching the brink of interstellar space; and at the same time, as Paul Elie, the author of Reinventing Bach, says, "He is in my pocket." How has Bach in our time become a Godlike being whose center is everywhere and whose circumference nowhere?
