book that raises many questions about urban renewal, which many people did come to see as Negro Removal. Yet, many people need to read it because it does push reader to think about communities and equality.

Root Shock: How Tearing Up City Neighborhoods Hurts ...

Root shock is the traumatic stress reaction to the destruction of all or part of one's emotional ecosystem. It has important parallels to the physiological shock experienced by a person who, as a result of injury, suddenly loses massive amounts of fluids. Such a blow threatens the whole body's ability to function.

Root Shock - NYU Press

Root Shock: How Tearing Up City Neighborhoods Hurts American and What We Can Do About It is an important and timely book that sprang from her work as a public health psychiatrist who thought deeply about her patients and followed their sources of suffering and resilience outward to locate them in communities, traditions, and history. This book marked Fullilove's emergence as one of the most important urban thinkers of our time, work...

Root Shock: How Tearing Up City Neighborhoods Hurts ...

"Root shock," Fullilove says, "is the traumatic stress reaction to the destruction of all or parts of one's emotional ecosystem." She later adds: "Root shock, at the level of the local community... ruptures bonds, dispersing people to all the directions of the compass.
