"Alice in Wonderland" since it's a well-known book, and there's probably a free eBook or two for this title. The original work is in the public domain, so most of the variations are just with formatting and the number of illustrations included in the work. However, you might also run into several copies for sale, as reformatting the print copy into an eBook still took some work. Some of your search results may also be related works with the same title.

The Fort by Aric Davis is the kind of story that will stick with me forever. It automatically brought me back to the summer when life changed forever for me and the real world was more clear than ever and it wasn't pretty. Ironically I was the same age as Tim and his friends, 12, when this revelation came.

### **Interview with Aric Davis, Author of 'The Fort' | Blogcritics**

Skepsis war von meiner Seite aus angebracht, weil Aric Davis' Roman "The Fort" mit Stephen Kings Novelle "Die Leiche" (seit der Verfilmung besser bekannt als "Stand by me") verglichen wird. Nachdem der Autor aber auch schon lange als Piercer sein Geld verdient, wollte ich aller Skepsis zum Trotz der Geschichte dennoch eine Chance geben, mit thematisch passend unter die Haut zu gehen.
